

New Heavy Duty Hook!

Farm and Consumer Nozzles

- M. Carder F&C automatic fuel nozzles are designed for use with small 12 volt and AC utility pumps as well as large farm and consumer pumps. (AC and 12 volt)
- New heavy duty hook makes it easy to hang the nozzle on the pump. Stronger, more secure.
- New and remanufactured nozzles are available. 3/4" and 1" inlets.
- These nozzles are not to be used with gravity flow tanks.
- All M. Carder products are thoroughly tested to insure that you get the performance you expect.
